CERTIFICATE OF ANALYSIS

SULFOMAX FLUID NG

AGRONUTRITION hereby certify that the above product, manufactured in France, contains the following levels of nutrients.

Batch number: 161649

Date of manufacture: 12/2020

Expiry date: 12/2022

Chemical Composition:

ANALYSIS DESCRIPTION	SPECIFICATIONS Content weight/weight (weight/volume)
Water soluble Boron (B)	2 % (27 g/L)
Water soluble Molybdenum (Mo)	0.22 % (3 g/L)
Nitrogen (N)	27 g/L
Magnesium oxide (MgO)	30 g/L
Sulphur trioxide (SO ₃)	1000 g/L

Physical characterization:

- Liquid : Concentrated suspension
- Density: 1.355
- pH: 7.9
